

## TexSton TexPrep Primer

**DESCRIPTION:** Texston TexPrep Primer is a superb white-based, thick primer that is tintable, odorless, specifically formulated for plasters and will block most stains from coming through. Texston Primer is an acrylic, water-based interior and exterior primer/undercoat with ceramic spheres that create an equal suction and mechanical grip. This product may be used on new or old surfaces and is suitable for residential and commercial applications.

**GENERAL USE:** TexSton TexPrep Primer can be used as an undercoat for TexSton products when indicated. For absorbent surfaces, dilute the primer with water by 10%. On old painted surfaces, first remove any loose film and sand before filling with the primer. Use the recommended sealers on substrates such as wood, metal, and concrete.

**ENVIRONMENTAL:** Water based. Non-Toxic. Recycled content- 5%. VOC: 26/g/L

**MIXING:** TexSton TexPrep primer can be tinted with universal colorants to a maximum of 5% by volume (Gallon, max 6.4 oz of colorants).

**APPLICATION:** TexSton TexPrep Primer can be applied with either brushes or rollers. Can also be sprayed with an HVLP or an air gun with a spray tip that is larger than 0.125 mm or with an airless gun tip that is larger than 0.125 mm and the screen at the bottom needs to be taken out so that the spheres will be able to pass through.

**COVERAGE:** 200-350 sq feet yields one coat per gallon. Depending on the porosity of the substrate.

**DRYING TIME:** This product requires 20 minutes to an hour drying time, depending on film thickness (20 degrees Celsius at 65% Humidity RH).

**CLEAN UP & DISPOSAL:** When cleaning application equipment, use warm water. Do not dispose of any product in sewers, waterways, or municipal garbage. It is best to use the entire product; however, if disposal is necessary, contact your local municipality or paint store for disposal instructions.

**WARRANTY:** TexSton expressly warrants its products to be fit for the ordinary purpose for which they are intended for a period of five years from date of installation when applied and used in accordance with manufacturer's instructions within six months of purchase. TexSton's liability under this warranty is limited to the replacement of product found to be defective or to the refund of the purchase price to original purchaser. TexSton reserves the right to require proof of purchase and to inspect installations prior to resolving claims made under this warranty. This limited warrant is exclusive and in lieu of all other warranties either written, oral, or implied, and expressly excludes liability for consequential damages.
